FINANCIAL LITERACY

SDFLC programs are designed to support all of San Diego with a special emphasis on our youth, military and low-income. All programs and services are provided at no charge and in multiple languages.

What Your Donations have done in the last 60 days:

- Further implementation of the [Lifecents Assessment Tool](#)
- Development of programs with new partners [Military Mutual](#) and [Jewish Family Service](#)
- Furthered support of a collaborative program aimed at Foster Youth in concert with [Junior League San Diego](#)
- [Helped provide a young military family with a financial boost three days before their first child was born](#)
