# SUPPORT OUR HEROES

## IN A SAFE AND FUN WAY

Due to state, county and PGA regulations we could not host our regular Boost For Our Heroes Golf Classic. However the pandemic has increased the need of our Boost for Our Heroes Award and educational resources more than ever.

Enter the Boost For Our Heroes Challenge 2020. Thanks to our longtime friends and partners at Emerald Isle Golf Course we we found a way to continue our Golf Tournament Fundraiser while maintaining physical distancing. This special event will allow sponsors and individuals to support our programs. Bring your coworkers family or friends all September long!
